OMARA's mission is to support the development of our snowsport athletes in the Okemo Community. Through member's dues, exciting fundraising events and volunteering, OMARA provides financial support, outreach and advocacy to our Okemo Snowsport Athletes.

Please fill out the following brief questionnaire and a member of the nomination committee will be back to you shortly.

1. OMARA is a “working board” and does require regular participation. OMARA requires everyone on the board to be part of at least one of our committees. Typically, we spend more time leading up to the season (5-10 hours per month,) although we do meet monthly throughout the course of the year. Can you commit to monthly meetings in-person preferably, or by telephone? Can you make the commitment for 3-years (the length of a BOD term)?
2. Please describe your experiences with OKEMO Mountain’s snowsports competition programs and opportunities for the kids.
3. The OMARA BOD Nomination Committee strives to nominate those with diverse experiences and backgrounds to the Board. What specific skills and experience in your background do you believe would be of most benefit to OMARA and service on the board or committee? Please provide us with a description of your volunteering and/or fund raising experience. Please also provide any additional information (professional, personal, Okemo Mountain and/or Ludlow affiliations etc.) that you feel is important for the nominating committee to know regarding your interest in becoming a member of the BOD.
4. With OMARA’s Mission Statement in mind, please provide us with your ideas for expansion of existing fundraising and how that may be used to further support the competition and snowsport athletes in the Okemo community.

Thank you again for your interest as it is truly appreciated!  
We will be in touch with you shortly.
